

## **Jason Miura**

Director of Business and Economic Development

In 2004, Jason Miura began his career with Clipper Group, a Danish Shipowning consortium, as Assistant Operations Manager. In 2006, Jason was promoted to Assistant Chartering Manager, and in 2007 was transferred to the company's Stamford, Connecticut USA Headquarters.

In 2009, Jason accepted a position as Line Manager with Caribbean Feeder Services, a German Shipowning and operating company. He was stationed in Fort Lauderdale, Florida and Kingston, Jamaica. As Line Manager, he traveled extensively and dealt directly with Global Container Lines while marketing feeder services that the company provided to the Caribbean islands and rim countries.

In 2012, Jason began working for Signet Maritime Corporation, a United States Shipowning Company, which operated U.S. Flagged Towing Vessels and Barges. In 2014, he was promoted to Commercial Manager and was charged with overseeing the financial well-being of all the company's business units. In 2015, Jason joined the Port Freeport team as the Director of Business and Economic Development.

### **Education**

Jason earned his BBA with a concentration in Finance from the University of Houston in 2003.

Jason has completed the Export-Import Theory, Practices and Procedures course at Kingwood College and attended the Time Charter Master Class Workshop through the internationally recognized Baltic and Maritime International Council (BIMCO). Miura holds Association of Ship Brokers and Agents certifications in Commercial Trade Transactions, Maritime Law for Shipbrokers and Agents and Ship Brokering and Chartered Vessel Operations.

### **Personal**

A resident of Fort Bend County, Jason resides in Missouri City, Texas.

### **Port Freeport**

Port Freeport is a leading port in the export of crude oil and natural gas liquids and ranked 6th in chemicals, 11th in foreign waterborne tonnage, and 26th in containers. A 2019 Economic Impact Study by Texas A&M Transportation Institute revealed that, nationally, the Freeport Harbor Channel generates 279,780 jobs and has a total economic output of \$149 billion. Port Freeport serves Atlantic Container Lines, AMPORTS, BASF, Chiquita Fresh N.A., CEMEX, Dole Fresh Fruit, The Dow Chemical Company, Enterprise Products, Exxon Mobile, Freeport LNG, Glovis, Grimaldi Lines, Hoegh Autoliners, Kirby Marine, Liberty Global Logistics, Mammoet, MEGlobal, NYK, Phillips 66, Riviana Foods, Inc., Sallalum Lines, Tenaris, U.S Department of Energy, Wallenius Wilhelmsen, and Vulcan Materials Company.
