THIS CONTRACT (this "Agreement") is made effective as of the Effective Date (as defined below), by and between the PORT FREEPORT, TEXAS, acting by and through its governing body, hereinafter referred to as "Political Subdivision," and County Clerk of Brazoria County, Texas, hereinafter referred to as "County," and by authority of Section 31.092(a), Texas Election Code, and Chapter 791, Texas Local Government Code, for the conduct and supervision of the Political Subdivision's election to be held on MAY 6, 2023. Political Subdivision and County may be referred to individually as a "Party" and collectively as "the Parties."

This contract is made by and between the PORT FREEPORT, TEXAS, acting by and through its governing body, hereinafter referred to as "Political Subdivision," and the County Election Officer of Brazoria County, defined by statute as the County Clerk through the authority set forth in Texas Election Code §§31.091 and 31.092. The purpose of this contract is for the performance of election services as authorized by statute. This contract shall serve as the general contract for each election for which the Political Subdivision requests the assistance of the County Clerk. Provisions specific to each particular election will be included as an attachment to the original contract. Political Subdivision and County Clerk may be referred to individually as "Party" or collectively as "Parties."

RECITALS

The County Clerk has care, custody, and control over the electronic voting system, the Hart InterCivic Verity Voting System (Version 2.5.3), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122, as amended, and is compliant with the accessibility requirements set forth by Texas Election Code Section 61.012. Political Subdivision desires to use the electronic voting system and to compensate the County Clerk for such use and to share in certain other expenses connected with joint elections in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code.

NOW, THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED as follows:

I. ADMINISTRATION

The Parties agree to hold a "Joint Election" in accordance with Chapter 271 of the Texas Election Code and this Agreement. The County Clerk shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this Agreement. Political Subdivision agrees to pay County Clerk for equipment, supplies, services, and administrative costs as provided in this Agreement. The County Clerk shall serve as the administrator for the Joint Election; however, the Political Subdivision shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The County Clerk shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of the Political Subdivision.

It is understood that other political subdivisions may wish to participate in the use of the electronic voting system and polling places, and it is agreed that the County Clerk may enter into

other joint election agreements and contracts for election services for those purposes on terms and conditions set forth in the Election Code. Political Subdivision agrees that County Clerk may enter into joint election agreements with other political subdivisions that may have territory located partially or wholly within the boundaries of Political Subdivision, and, in such case, all parties sharing common territory shall share a joint ballot on the electronic voting system at the applicable polling places. In such cases, total costs shall be divided among the participants.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

II. LEGAL DOCUMENTS

Political Subdivision shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code or Political Subdivision's governing body, charter, or ordinances. With reference to publications, the County Clerk will publish the "Notice of Test of Automatic Tabulating Equipment" and the "Notice of Election." If a Political Subdivision is holding any type of Special Election, the Political Subdivision may have to publish their own "Notice of Election" in order to meet additional requirements. Please advise the County Clerk's Elections Office if the Political Subdivision must publish a separate notice so the Political Subdivision's notice is not included in the Notice published by the County Clerk.

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each participating authority, including translation to languages other than English. Each participating authority shall provide a copy of their respective election orders and notices to the County Clerk's Election Department.

III. STATUTORY COMPLIANCE

Political subdivisions shall follow all applicable State and Federal laws related to elections, including, but not limited to, Section 52.072 of the Election Code, which states in part, "A proposition shall be printed on the ballot in the form of a single statement."

Failure to do so may prohibit the political subdivision's participation in a Joint Election.

IV. VOTING LOCATIONS

The County Clerk's Election Office shall select and arrange for the use of and payment for all election day voting locations. Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by the county. The proposed voting locations will be provided once the final candidate filing deadline has been met and will be listed as Attachment "A". In the event a voting location is not available, the Elections Department will arrange for use of an alternate location with the approval of the Political Subdivision. The Elections Department shall notify the Political Subdivision of any changes from the locations listed as Attachment "A".

If polling places for the joint election in Attachment "A" are different from the polling place(s) used by Political Subdivision in its most recent election, Political Subdivision agrees to post a notice no later than the date of the election described in Attachment "A", at the entrance to any previous polling places in the jurisdiction, stating that the polling location has changed, and stating the political subdivision's polling place name(s) and address(s) in effect for the election described in Attachment "A". Any changes in voting location from those that were used in the most recent COUNTYWIDE JOINT election will be posted by the County Clerk's Election Office.

V. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

The Brazoria County Commissioners Court shall be responsible for the appointment of the presiding judge and alternate judge for each polling location in accordance with Chapter 32 of the Texas Election Code. In the event an emergency appointment is necessary, appointment shall be made in accordance with Election Code §32.007, which authorizes the presiding officer of the Brazoria County Commissioners Court to make an emergency appointment. Should that officer not be available, the County Clerk's office shall make emergency appointments of election officials. Upon request by the County Clerk, Political Subdivision agrees to assist in recruiting polling place officials who are bilingual (fluent in both English and Spanish).

The County's Elections Department shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to ensure that all election judges appointed for the Joint Election are eligible to serve.

The County Clerk shall arrange for the training and compensation of all election judges and clerks. The Elections Department shall arrange for the date, time, and place for the presiding election judge to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Department notifying him of his appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge will receive compensation at an hourly rate of \$14.00. Each election clerk will receive compensation at an hourly rate of \$12.00. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close. All judges and clerks who attend training will be compensated at an hourly rate of \$8.00 as compensation for same.

It is agreed by all Parties that at all times and for all purposes hereunder, all election judges, clerks, and all other personnel involved in this election are temporary part-time employees subject only to those benefits available to such employees.

VI. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The County Clerk Elections Department shall arrange for all election supplies and voting equipment including, but not limited to, official ballots, sample ballots, voter registration lists, and all forms, signs and other materials used by the election judges at the voting locations. At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The County Clerk Elections Department shall provide the necessary voter registration information, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election. If special maps are needed for a particular Political Subdivision, the County Clerk Election Department will order the maps and pass that charge on to that particular Political Subdivision.

Political Subdivision shall furnish the County Clerk a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). THE POLITICAL SUBDIVISION SHALL ALSO PROVIDE A COPY OF EACH CANDIDATE'S APPLICATION TO THE COUNTY CLERK ELECTIONS OFFICE. This list shall be delivered to the County Clerk Elections Department as soon as possible after ballot positions have been determined by each of the participating authorities. Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions. If any error or changes are discovered after the Logic and Accuracy test has been conducted and ballots prepared then the Political Subdivision will be responsible for all cost.

VII. EARLY VOTING

The Parties agree to conduct joint early voting and to appoint the County Clerk as the Early Voting Clerk in accordance with Sections 31.097 and 271.006 of the Texas Election Code. Political Subdivision agrees to appoint the County Clerk's permanent county employees as deputy early voting clerks. The Parties further agree that each Early Voting Location will have an "Officer in Charge" who will receive compensation at an hourly rate of \$14.00. The clerks at each location will receive compensation at an hourly rate of \$12.00. Early Voting by personal appearance will be held at the locations, dates, and times listed in Attachment "B" of this document. Any qualified voter of the Joint Election may vote early by personal appearance at any one of the joint early voting locations.

All participating authorities shall be responsible for the official canvass of their respective elections.

The County Clerk Elections Department shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each participating authority and the Secretary of State's Office.

The County Clerk Elections Department shall submit all Cities' precinct by precinct returns to the Texas Secretary of State's Office electronically.

The County Clerk Elections Department shall post all election night results to County website on election night. <https://www.brazoriacountyclerktx.gov>.

X. ELECTION EXPENSES AND ALLOCATION OF COSTS

The Parties agree to share the costs of administering the Joint Election. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared. The County participates in "Vote Centers," therefor all political subdivisions can vote at any location.

It is agreed that the normal rental rate charged for the County's voting equipment used on election day shall be calculated per polling locations and among the participants utilizing each polling location. (See "Exhibit 1" for rental rates.) Total cost will be calculated, and then multiplied by the Political Subdivisions percentage number of registered voters or with the minimum of \$2000.00, for those with lesser amount, additional cost associated will be itemized and billed.

Costs for Early Voting by Personal Appearance will also be charge with the same formula as Election Day. Those political subdivisions with the percentage of registered voters less than amount equal to \$2000.00 will be a minimum amount of \$2000.00 for the early voting period.

Political Subdivision contracting for a runoff shall be responsible for all associated costs.

XI. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Political Subdivision may withdraw from this agreement and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code, or should it be later ruled that the election is not needed. Any monies deposited with the county by the withdrawing authority shall be refunded, minus the aforementioned expenses.

For Election Day, we will calculate the cost for each location (see Exhibit 'A2') the total cost for Election Day will then be calculated per percentage of registered voters of each political subdivision. All political subdivisions in Brazoria County less than 1000 registered voters, charges will be the minimum of \$2000.00 for Election Day.

EARLY VOTING (increase 2023)

For Early Voting we also calculate worksheets for each of the 10-11 early voting locations. Once we have the total cost for all locations, we do a spreadsheet that divides the cost between all political subdivisions based on the percentage of registered voters in each. Since we have large and small cities in our county, the minimum charge for early voting will be \$2000.00.

OVERTIME

We keep a record of our overtime for the May Elections and the staff gets paid overtime. Since we charge for programming and tabulations that money goes towards the employee's overtime. If we have more overtime than covered by a calculated programming and tabulation fees, we will add in the additional overtime when sending the final bills.

RATE SHEETS FOR BRAZORIA COUNTY ELECTIONS:

NOVEMBER (COUNTYWIDE JOINT)

Runoffs Elections will be the responsibility of whichever entity will be conducting a runoff election.

Any errors or changes related to a Political Subdivision oversight and if it results in reprogramming the entirety election, will be responsible for all associated cost.
